DEPARTMENT OF PLANNING
MARYLAND HISTORICAL TRUST

REVIEW CRITERIA: PROJECT IMPACT

Increasing Heritage Tourism (20 points)

- What is the "product" you are creating or enhancing?
- How are you marketing/reaching people with this project?
- What amenities does this project offer to various audiences?
- Quantitative (e.g., number of projected visitors)
- Qualitative (e.g., how are you creating or enhancing a place-based experience?)

REVIEW CRITERIA: PROJECT IMPACT

Building Partnerships (15 points)

- How does your project engage partners and leverage resources?
- How does your project bring common and uncommon partners together around a common, local vision?
- How do your project partners help build your organizational capacity?

EXAMPLE:

XYZ Organization developed a series of lectures highlighting the history of their local town and partnered with a local restaurant who provided the venue for free and discounted food to participants. They shared a common goal of attracting visitors to the area to learn more about its local history and boost the local economy through heritage tourism. An additional benefit was that the revenue earned from both partners allowed them to increase their organizational capacities.

REVIEW CRITERIA: PROJECT IMPACT

Sustaining Regional Identity (25 points)

- How does your project showcase the heritage area's distinctive archaeological, cultural, historic or natural assets?
- Consider how your project aligns with your local heritage area's goals, objectives, strategies, and interpretive themes
- You are encouraged to cite specific sections of your local heritage area's planning documents --- talk to your local heritage area staff if you have questions about this!

REVIEW PROCESS & CRITERIA

- Local review and state review
- Scores are combined
- Refer to the MHAA FY 2024 Project Grants Guidelines for more detailed information and a sample scoring sheet

GRANT WRITING TIPS

- Read the MHAA FY 2024 Project Grants Guidelines before beginning the application
- Don't wait until the last minute! Give yourself plenty of time to gather supplemental materials like estimates, approval letters, etc.
- Ask questions if you are not sure
 - Contact your local heritage area director or MHAA staff

GRANT WRITING TIPS

Before you start writing, ask yourself and your organization:

- Why are we doing this project?
- What is the timeline? Is there flexibility in the timeline to allow for receiving grant funds (funds will not be disbursed until 6 months after awards are announced)
- How does the project fit into your organization's "big picture"?
- What are the steps you need to take to finish the project?
- Who will undertake the work?
- What is the desired outcome?

GRANT WRITING TIPS

- Have a clear and detailed budget and project description
- Have someone unfamiliar with the project read your application
- Give your project a unique and descriptive name – one that is different from previous grants
- Provide as much detail as is requested
- Make sure your matching funds are in-hand or committed *if possible*

GRANT WRITING TIPS

Your project description, timeline, and budget should all align

The Anytown Museum will utilize MHAA grant funds to create a new exhibit on watermen. One or more consultants will be hired to design and fabricate the exhibit and print 20,000 copies of a brochure to accompany the exhibit.

<u>Timeline:</u>	
Hire <u>exhibit consultant</u>	Jul 2023
<u>Exhibit design</u> completed	Dec 2023
<u>Fabrication</u> begins	Jan 2024
Mid-project report	Jan 15, 2024
<u>Brochure design</u> finalized	Feb 2024
Exhibit finished	Mar 2024
<u>Brochure printed</u>	Jun 2024
Final report	Aug 15, 2024

<u>Budget:</u>	
<u>Exhibit design consultant</u> (\$50/hr, 400 hrs)	\$20,000
Exhibit <u>fabrication</u>	\$40,000
<u>Brochure design</u>	\$5,000
<u>Brochure printing</u> (20,000 @ \$0.50 each)	\$10,000

GRANT WRITING TIPS

- START THE PROCESS OF COLLECTING YOUR INFORMATION EARLY
- Provide visuals where appropriate
 - Maps, photographs, plans
- If something needs maintenance, explain how it will be maintained
 - Examples: deteriorating trails, defaced signage, annual licensing fees
- Follow the instructions in the online forms and the FY 2024 MHAA Project Grant Guidelines
 - Fill in all required fields
 - Save and back-up your work often

ADVICE FROM REVIEWERS

- Clearly define a heritage tourism project
- Explain how your project will help the local community and how the project will bring people to your heritage area
- Make a strong "elevator pitch" in your project summary - only a portion of the reviewers are assigned to read and score your full application
- Craft your application to be read by panelists from a variety of professional backgrounds
- Answer the questions on the application – don't just write what you think reviewers will want to hear
- If your project is primarily a planning or documentation project, focus on how that planning or documentation will lead directly to a heritage tourism product
 - Be specific and have a specific product identified, even if it's a future phase

The screenshot shows the 'Attachments' tab of a grant application system. At the top, there is a navigation bar with tabs: Introduction, Overview, Project Information, Budget Information, Project Impact, Supplemental Documents, Release, Attachments (selected), and Review My Application. Below the navigation bar, there are two buttons: 'Save & Finish Later' and 'Review'. The main heading is 'Attachments'. Below this, there is instructional text: 'Please use this section to upload any additional attachments, such as pictures, planning documents, or letters of support. If you chose to upload pictures, please submit them as a PDF, rather than an image file (such as a .jpeg or .png) as our grant software can only process PDFs. If you hit the 200Mb file limit and need to submit additional attachments, please reach out to andrew.arvizu@maryland.gov for assistance.' Below the text, there is an 'Upload' section. It includes a 'Title:' label followed by a text input field. Below that, there is a 'File Name:' label followed by a 'Choose File' button and a 'No file chosen' text. Below the 'File Name' row, there is an 'Upload' button. At the bottom right, there are two buttons: 'Save & Finish Later' and 'Review'.

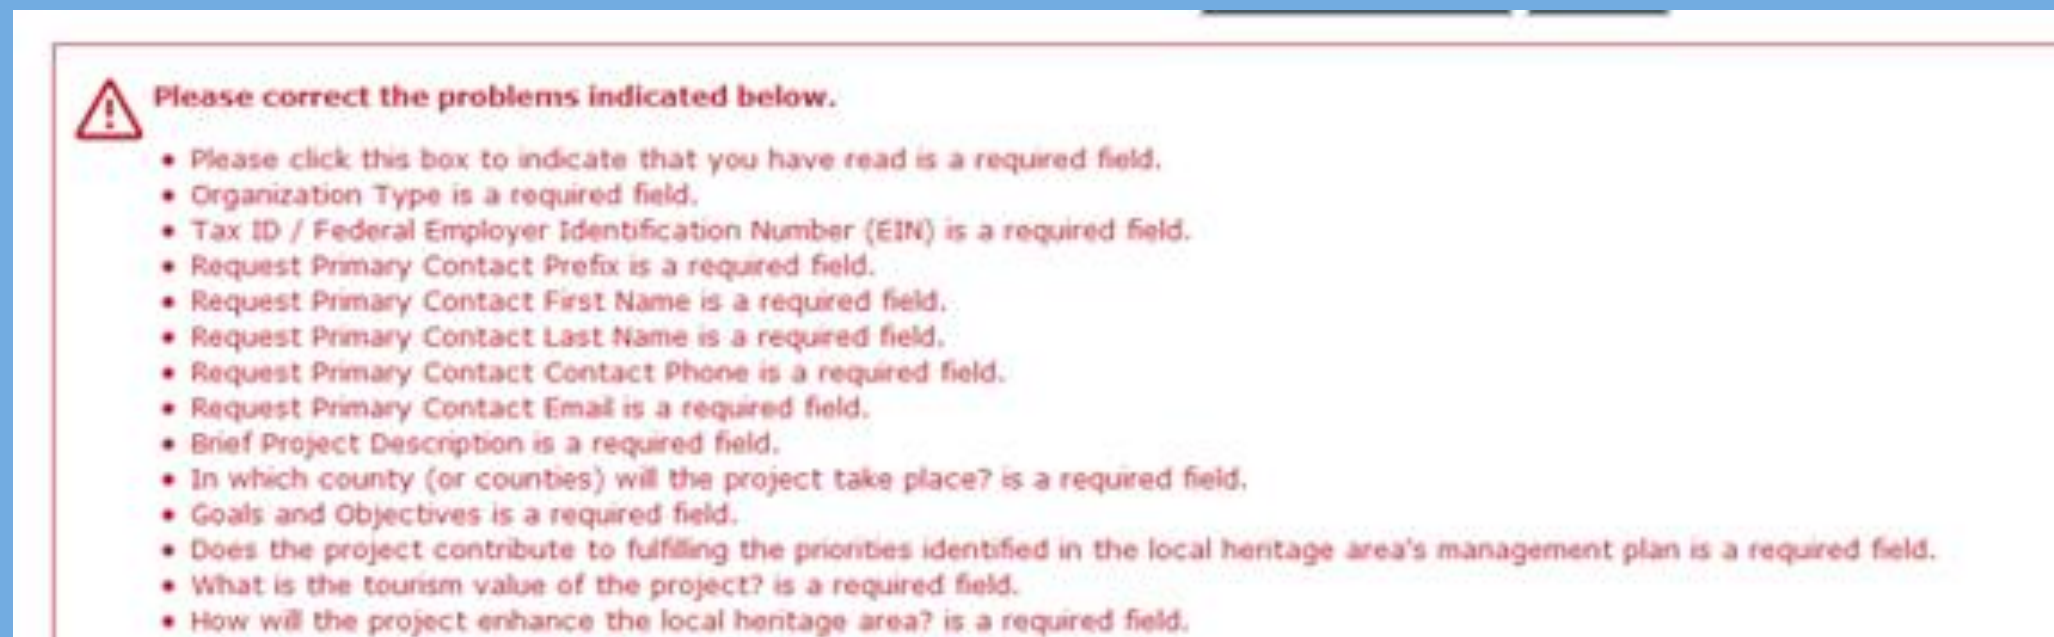

REVIEWING YOUR APPLICATION

Your application is complete when:

- You have filled in all required fields
- You have uploaded all required documents

When that is done, click the **Review My Application** tab. If you have missed any required items, they will be identified in red.

SUBMITTING YOUR APPLICATION

You must resolve all outstanding problems before you will see a Submit button

Keep in mind that while some fields are not required (no red asterisk), that does not mean you should leave fields blank. If they apply to you, you should fill them out.

When you submit, you will receive confirmation on the screen and confirmation via email

You cannot make changes to an application once it has been submitted, unless it is "released" back to you by MHAA staff
